Prize Presentation

DATE: 14 November 2009

TIME: 6:30pm for 7:00pm

This year we are celebrating our
90th Annual Dinner & Prize Presentation.

The club was founded in 1919 by J.J. Kavanagh and in his honour each
year we organise a 25 mile open Time Trial event.

I'm sure he would be proud to see his achievements remembered in
this way and that we have continued for so many years to celebrate our
Prizewinners' efforts with a traditional dinner and Prize Presentation.
